A Message to the Class of 2009

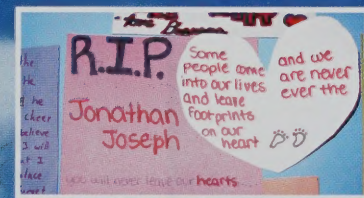

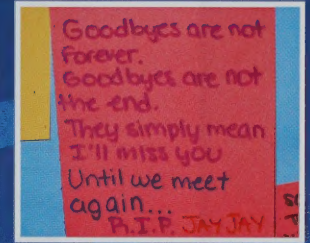

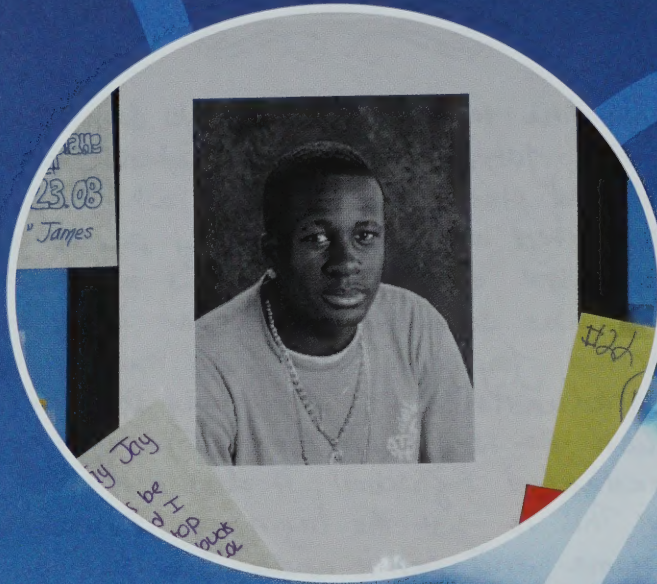

I would like to take the time to say thank you to the John D. O'Bryant students, teachers, parents, and staff; And everyone who helped and supported me since Jay Jay passed last year. Your love for Jay Jay touches my heart deeply. I was so happy to see that many of you carried Jay Jay's name and number on your graduation caps. It truly shows me how much you really love him. Now that you have graduated highschool, it does not mean it's over. This is just the beginning. Do not take your diploma and put it under your bed or throw it in the closet. But use it, go to college, and do not waste your time; Because the time you lose now, you will not get back tomorrow. So the time is NOW. As I looked on from the stage on graduation day, I saw in your faces doctors, lawyers, nurses. I saw beautiful, handsome, intelligent young individuals. This is something I was waiting to tell Jay Jay on his graduation day. But since I can not see him in person I am going to say it to you. You can do it. In your eyes I see my son's life. You are the ones he left me. You all are now my concern and all of my children. I am proud of you. You made it!

I love you all! ♡

Sincerely,
Jonathan Joseph's mother
Ms. Penny

The Class of 2009 dedicates this yearbook to the memory of

Jonathan Joseph

Jay Jay was a friend to many, but much more to me. He was a huge part of the brotherhood that I and many of the boys from back in the day founded. A brotherhood consisting of about six of us, a brotherhood so strong that our names were replaced by a simple word - "Bro".

Jay Jay was a comedian, a charmer, and a ride-or-die friend. He was a person that anyone could go to and he would help any way he could. He had a smile that could brighten up not just a room, but anywhere. He was recognized for everything that he brought to the lives of the people around him. If you needed a quick bite, a place to crash, or just someone to cheer you up, I couldn't recommend you anyone better than Jonathan Joseph.

His passing left a hole in the hearts of many, a hole that will probably never be filled. But if there is anything that I learned from Jay Jay, it is never to take a day of your life for granted and to smile through all the hardships.

Jay Jay had an amazing future planned. He would have loved senior year; we planned what we were going to do after prom and graduation. Everyday I look at the band that reads his name in the O'Bryant colors and wonder what it would be like if he were still around.

Though he won't be here to celebrate this great accomplishment, it is all for Jonathan Joseph. Because he is my motivation, he is the hope that keeps me moving. He is the strength to help me push through to finish high school. I will never forget the impact Jay Jay has on my life and I am forever grateful for having had the opportunity to call him a friend.

Rest in Peace Jonathan "Jay Jay" Joseph, love and miss you always bro.

The story of the 2008 O'Bryant Football Team

*The games started with Cathedral, but that's not where I'll begin
The season began with a pact, that was made between a group of friends.*

*They said Lets play for J.J., let's win for 22
Let's put our all into each game, and find out what we can do.*

*They set their sights on perfection, the goal was 10 and 0
They accomplished it on Thanksgiving Day, it was really quite a show.*

*After they won the first 3 games, the next 3 were quite a test
But if they continued to improve, they would surely win the rest.*

*As the wins piled up one by one, they came to realize
That they must play together, to get a chance at the prize.*

*#5 controlled the offense, he spread the ball around
While 34, 56 and 12 gave up nothing on the ground.*

*#10 was a scoring machine, with plenty of help from #4
And the defense only gave up 5.9, and really closed the door.*

*#s 3, 6, 9 and 25 stepped in when they were needed.
#s 59, 40 and 55, were big reasons why we succeeded.*

*This team was something special, it was no longer I, but we
And after defeating Brighton High, it was a team of destiny.*

*The coaches all stayed up late and when they finally got to sleep
They dreamed of #7 over the middle, and # 15 going deep.*

*They see #1 doing the kicking and # 2 on the return
They collected so many athletes, this team has speed to burn.*

*#13 showed a lot of skills, he was asked to punt and throw
And we wont forget the play called back, that was his best you know!*

*#s 73, 74 and 76 were asked to hold that line
And big hits from 51 and 52 had the defense playing fine.*

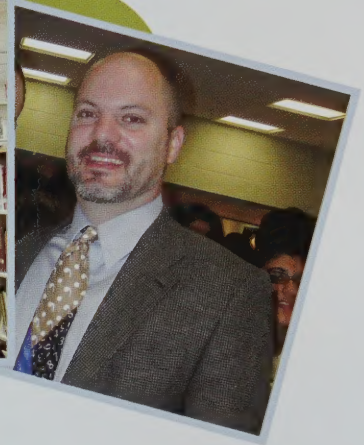

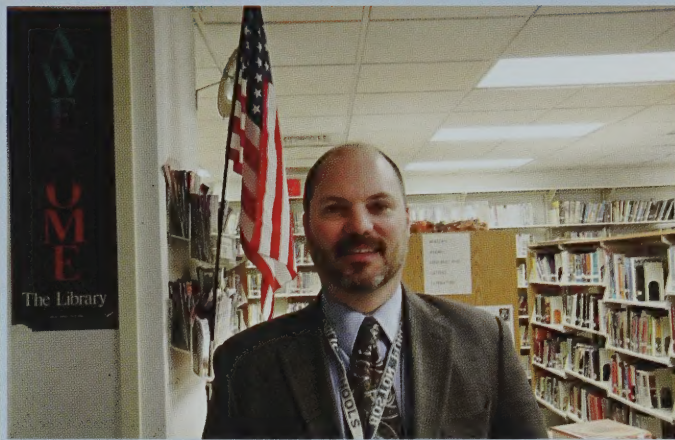

*So you proved you could play with anyone, you passed their every test
You gave your maximum effort, and you cannot control the rest.*

*I say to all of the players, there is no reason to be sad.
You have given to the O'Bryant, the best season we ever had.*

*Please listen to me closely, even winners lose now and then.
You began the season as a group of boys, you finished it as men.*

Headmaster Joel Stembridge

When Prom is over at 12 or so the party for us has just begun. After parties start and every thing is "on and poppin." Seniors let go of the stress of school, and work and just have the night of their dreams. Then pay for it the next day. Yes ! Thats the beauty of being a SENIOR!

Regardless of which category you may fall in, I still wish everyone a happy and successful life. Yes, I was anxious to leave, =) but I will still miss a lot of people! Live your life to the fullest by living everyday like its your last.
